

There will be new procedures for the classes to ensure everyone's health and safety. They are as follows:

- When we are indoors, splitting the classes in half will still ensure social distancing.
- Unvaccinated Individuals are Encouraged to wear a mask. If you do not have a mask or forget to bring one to class, you may purchase one from us for \$4.00.
- Only ONE family member may participate in the classes. This is only temporary during the pandemic. NO extra family members may attend at this time.
- Training stations for each customer will be marked on the floor indoors to ensure social distancing
- Everyone must maintain the 6 ft social distance requirements whenever possible.
- Owners may bring their own chair and/or crate for you and your dog if necessary
- Please Do Not come to class if you, the dog, or any family member has been sick within two weeks of class day.
- Hand sanitizer will be provided for everyone to use
