

HEALTH AND SAFETY PROCEDURES FOR COVID-19 CLASSES

- Classes will be held outside and split in half to ensure proper social distancing.
- There will be a “Check in” table the first day of class with forms to fill out upon arrival and articles to get upon departure at the end of class. Hand sanitizer will be provided on the table and every class day to be used as needed. Masks must be worn when you are at the table.
- Everyone must bring a mask to class and wear it if there is a possibility the 6 ft distance can't be maintained.
- If you do not have a mask or forget to bring one to class, you may purchase one from us for \$4.00. You will not be allowed to participate in class without a mask.
- Only ONE handler per dog will be allowed to attend the classes. This is only temporary during the pandemic.
- Training stations for each customer will be marked by cones outside and, if we are inside, on the floor indoors to ensure social distancing.
- When Outside, owners must bring their own water and bowl for their dog. Since we will be outside, you are responsible for keeping your dog cool.
- Everyone must maintain the 6 ft social distancing requirements.

- For Agility when Outside, owners may bring their own chair and/or crate for you and your dog.
- Please DO NOT come to class if you or any family member has been sick within two weeks of class day.
